

JOB OPENING:

# Manager, Corporate Finance

Organisation	Mekong Strategic Partners (MSP)
Business Unit	Corporate Finance
Location	Phnom Penh, Cambodia

## About Mekong Strategic Partners

Mekong Strategic Partners (MSP) is an investment and advisory firm headquartered in Cambodia and operating across Southeast Asia. Founded in 2014, MSP has an experienced and committed team of professionals, with diverse skills and backgrounds. MSP operates across three core areas:

- > **Corporate Finance**  
We provide unparalleled insights to international investors seeking exposure to the high growth economies of the Mekong Region, as well as local emerging corporates and institutions. Our advisory work includes Mergers & Acquisitions, Divestments, Capital Raising for both debt and equity.
- > **Investment Management**  
We identify opportunities and invest into attractive firms and projects in the Mekong Region. Our target sectors include financial services, technology, infrastructure and renewable energy, and real estate. We seek investment opportunities across multiple asset classes including fixed income, property, and private and listed equities.
- > **Climate Finance**  
We are committed to responsible and ethical investing and advisory to help promote the long-term success of our communities, the environment, and our partners. In partnership with others, we seek to help create a future that is defined by sustainable and equitable management of the world's natural resources.

Mekong Strategic Partners offers an inclusive workplace that values excellence, respect, autonomy, and integrity. We operate in agile and collaborative teams that change depending on the project needs, and each day brings new challenges or something to learn. We are passionate about what we do and like to have fun along the way.

## About the role

MSP is seeking a Manager to join the Corporate Finance team. Your role will be to support clients throughout the deal lifecycle, including pre-deal analysis and preparation; target due diligence; and post deal value enhancements.

The main responsibilities of your role will include the following:

- > Undertaking research and analysis activities required to assess strategic impact and risk
- > Project scoping, planning and timeline management
- > Assisting in the preparation of marketing pitchbooks, investment teasers and confidential information memorandums
- > Financial and business modelling for analysis, including projections, sensitivity analysis and valuations
- > Assisting in the evaluation and due diligence of clients and target companies
- > Preparing reports and presentations to senior management
- > Collaborating and maintaining relationships with clients, key stakeholders, and relevant industry partners

### About you

To excel in this position, you will need:

- > Strong understanding of financial and business concepts, models and financial accounts, standard and specific business drivers, and performance measures.
- > Well-developed analytical skills, including qualitative and quantitative analysis
- > Extensive research skills and advanced report writing and documentation skills
- > Excellent interpersonal skills, with the ability to interact effectively with colleagues
- > Advanced excel and intermediate Microsoft 365 knowledge
- > Strong organizational skills, ability to multi-task and work in a fast-paced environment
- > Tertiary qualification in finance or a business-related field
- > Fluent in English, fluency in Khmer would be highly regarded
- > Prior experience in a merger or acquisition transaction would be highly regarded

### How to Apply

Interested candidates are invited to submit a cover letter and CV to Mekong Strategic Partners via [tc@mekongstrategic.com](mailto:tc@mekongstrategic.com). Qualified candidates will be considered and contacted for interviews to discuss your skills, interest, and experiences.
